Grant Title:

Irlen overlays

Grant #1

Grant Description (250 character limit):	We are in need to replenish our stock of Irlen overlays.

How many students will this impact?:	500+

Primary Areas of curriculum that this grant will address (select all that apply):

- ✓ Language Arts
- ✓ Social Sciences
- ✓ Health Sciences
- ✓ Mathematics
- ✓ The Arts
- ✓ Vocations
- ✓ Sciences
- ✓ Information Technologies
- Other

Do you contribute to Uintah Schools Foundation via payroll deduction?:

- Yes
- ✓ No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:	I buy tickets to the concert and Storytelling Festival.

Grant #1

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:

✓ Yes

No

If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):

Vernie Heeney $39.95

Total amount of other funding obtained for the project (from above)::

39.94

Amount requested from Uintah Schools Foundation:

584.98

Item(s) 1:

Box of turquoise overlays

Cost 1:

292.50

Item(s) 2:

Box of blue-gray overlays

Cost 2:

292.49

Item(s) 3:

Cost 3:

Item(s) 4:

Cost 4:

Item(s) 5:

Cost 5:

Item(s) 6:

Cost 6:

Item(s) 7:

Cost 7:

Total Cost: 584.99

Describe how this project will enhance student learning (limit 500 characters): The use of Irlen overlays allows students who need them to be more successful in all of their classes because they improve print clarity and stability; reduce strain and fatigue; eliminate headaches; improve comprehension, improve tracking and make reading easier.

School:	Central Cove Preschool
Grade(s):	District Wide Department
Subject:	Occupational Therapy
Principal's Name:	Erin Brown
Principal's Email:	erin.brown@uintah.net
Grant Title:	Occupational Therapy Supplies

Grant #2

Grant Description (250 character limit):
Occupation therapy staff provides IEP services to nearly 275 students based in10 different schools. We are a very small staff of 5 with limited resources and a very small budget. Our students range from mild to severe disabilities.

How many students will this impact?:
275

Primary Areas of curriculum that this grant will address (select all that apply):

✓ Language Arts

Social Sciences

Health Sciences

Mathematics

✓ The Arts

✓ Vocations

Sciences

Information Technologies

Other

Do you contribute to Uintah Schools Foundation via payroll deduction?:

✓ Yes

No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:
I do tell others about the services they provide.

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:	Yes ✓ No

If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):

Total amount of other funding obtained for the project (from above)::

Amount requested from Uintah Schools Foundation:	496.34

Item(s) 1:	Various supplies needed for occupational therapy .

Cost 1:	496.34

Item(s) 2:	Please see attached list due to not enough space

Cost 2:	0.00

Item(s) 3:	for all items.

Cost 3:   0.00

Item(s) 4:

Cost 4:

Item(s) 5:

Cost 5:

Item(s) 6:

Cost 6:

Item(s) 7:

Cost 7:

Total Cost: 496.34

Describe how this project will enhance student learning (limit 500 characters): Students are more willing to participate if the activities are fun and engaging all the while therapeutic and beneficial. What the student sees as just a fun game, craft ,or activity, we see the therapeutic reasons behind it. Many of our activities and lessons focus on improving independent dressing skills, improve grasp development, hand and finger strengthening , bilateral coordination, visual motor skills, visual perception.

Uintah
Schools
Foundation

Grant Application

First Name: Raelynn

Last Name: McCormick

Email: raelynn.mccormick@uintah.net

Phone: 4357909876

School: Maeser Elementary

Grade(s): 3rd Grade

Subject: Art

Principal's Name: Mallory Hoffart

Principal's Email: mallory.hoffart@uintah.net

Grant Title: Art room resources

Grant Description (250 character limit):

We use lots of recycled materials in the art room, one of those being cardboard. The chompsaw cardboard cutting tool is kid safe and lets kids of all ages safely cut cardboard. The portable heat press would make our artwork lay flat after painting

How many students will this impact?:

475

Primary Areas of curriculum that this grant will address (select all that apply):

- Language Arts
- Social Sciences
- Health Sciences
- Mathematics
- ✓ The Arts
- Vocations
- Sciences
- Information Technologies
- Other

Do you contribute to Uintah Schools Foundation via payroll deduction?:

- Yes
- ✓ No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:

Grant #4

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:

Yes

✓ No

If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):

Total amount of other funding obtained for the project (from above)::

Amount requested from Uintah Schools Foundation:

597.95

Item(s) 1:

chompsaw cardboard tool

Cost 1:

259.99

Item(s) 2:

chompsaw cardboard tool

Cost 2:

259.99

Item(s) 3:

heat press

Cost 3:   77.99

Cost 4:

Item(s) 5:

Cost 5:

Item(s) 6:

Cost 6:

Item(s) 7:

Cost 7:

Total Cost: 597.97

Describe how this project will enhance student learning (limit 500 characters): Having the cardboard tools will allow students to safely cut cardboard for cardboard sculptures, build more complex paper mâché pieces and 3d art projects. The paper press will be the finish to their pieces. They work hard on make amazing pieces only to have them roll up or curl. When their pieces are hanging in the halls the press will make them nice and flat so the whole piece can be seen. Having their artwork look professional will give them added confidence in the art room.

Cost 4:

Item(s) 5:

Cost 5:

Item(s) 6:

Cost 6:

Item(s) 7:

Cost 7:

Total Cost: 1638.90

Describe how this project will enhance student learning (limit 500 characters):

This project expands orchestra access by providing 3D printed instruments to students who otherwise could not afford them, ensuring equity in music education. At the same time, students in STEM classes will engineer, assemble, and test instrument designs, gaining hands-on experience in problem-solving, creativity, and scientific inquiry. The printer enables sustainable, long-term production of instruments, strengthening music and STEM programs, and inspiring students across the School District.

Total Cost: 1525.30

Describe how this project will enhance student learning (limit 500 characters):

I am a creative teacher who thrives when I can utilize unconventional ways to share material. These books and chairs will help me teach my students better. I was startled by the loss of internet last spring, I see a need for some "old school" research literature. I am also teaching a new course, and this proposal includes some teaching material so I can help my students learn material in new ways. I am also a believer in flexible seating. I do not have dependable stool seating in my room.

Total Cost: 752.46

Describe how this project will enhance student learning (limit 500 characters): Hand bells provide a fun and interactive way for children to learn music especially in group settings. Playing handbells is a great way to foster the development of strong rhythmic skills, physical coordination, and listening skills. It's also an effective way to teach the basics of music-reading (direction, reading lines and spaces) and provide young children with an active way to play and make music together.

Grade(s):	6-8th Grade
Subject:	Art
Principal's Name:	Denise Williams
Principal's Email:	denise.williams@uintah.net
Grant Title:	Photo Printer

Grant Description (250 character limit):

Photo printer for student work

How many students will this impact?:

450+

Primary Areas of curriculum that this grant will address (select all that apply):

Language Arts

Social Sciences

Health Sciences

Mathematics

✓ The Arts

✓ Vocations

Sciences

✓ Information Technologies

Other

Do you contribute to Uintah Schools Foundation via payroll deduction?:

✓ Yes

No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:

Grant #10

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:	Yes ✓ No
If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):	
Total amount of other funding obtained for the project (from above)::	
Amount requested from Uintah Schools Foundation:	351.54
Item(s) 1:	photo paper 3.5x5
Cost 1:	14.98
Item(s) 2:	Photo paper 5x7
Cost 2:	15.98
Item(s) 3:	refill ink

Grant #10

Cost 3:	24.99
Item(s) 4:	Photo Printer
Cost 4:	295.59
Item(s) 5:	
Cost 5:	
Item(s) 6:	
Cost 6:	
Item(s) 7:	
Cost 7:	
Total Cost:	351.54
Describe how this project will enhance student learning (limit 500 characters):	Students will learn about photography and learn how to use the adobe creative cloud. In this digital world this is a fun way to explore a different art medium.

      No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:

Grant #13

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:	Yes ✓ No

If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):

Total amount of other funding obtained for the project (from above)::

Amount requested from Uintah Schools Foundation:	555.91

Item(s) 1:	Kemper Dipping Tongs - 10"
Cost 1:	17.60
Item(s) 2:	Cedar Canyon Rubbing Plates - Set of 6, Doodles
Cost 2:	14.54
Item(s) 3:	Cedar Canyon Rubbing Plates - Set of 6, Leaves

Cost 3:	14.54
Item(s) 4:	Art Alternatives Scraper - 4-7/10" x 2-1/2"
Cost 4:	10.76
Item(s) 5:	Art Alternatives Silicone Rib Sets, Set of 4, Firm
Cost 5:	13.71
Item(s) 6:	Xiem Tools Rim Rib
Cost 6:	15.90
Item(s) 7:	Others listed on the uploaded documents
Cost 7:	
Total Cost:	555.91
Describe how this project will enhance student learning (limit 500 characters):	Having access to the appropriate clay tools enhances student learning by building fine motor skills, fostering problem-solving, and encouraging creativity and focus. The right tool for each job will allow students to explore different techniques, which develops craftsmanship and control, leading to deeper understanding of ceramics. The appropriate tool for each job will also promote a sense of accomplishment and engagement, as they simplify complex tasks and increase success for beginners.

Phone: 4357813125

School: Central Cove Preschool

Grade(s):   PreK

Subject: Math

Principal's Name: Erin Brown

Principal's Email: Erin.brown@uintah.net

Grant Title: Math Manipulatives

Grant Description (250 character limit):	Hands-on math in preschool is important because it builds an understanding of abstract concepts by connecting student to physical objects. We added more classes which will allow us to teach more students, but we need more math manipulatives to do so.

How many students will this impact?:   250

Primary Areas of curriculum that this grant will address (select all that apply):

Language Arts

Social Sciences

Health Sciences

✓ Mathematics

The Arts

Vocations

Sciences

Information Technologies

Other

Do you contribute to Uintah Schools Foundation via payroll deduction?:

✓ Yes

No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:		Yes
	✓	No

If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):

Total amount of other funding obtained for the project (from above)::

Amount requested from Uintah Schools Foundation:	944.42

Item(s) 1:	Unifix Cubes

Cost 1:	74.22

Item(s) 2:	Measuring Worms

Cost 2:	107.94

Item(s) 3:	Bucket Balance Scale

Cost 3:	232.90
Item(s) 4:	3D Shapes
Cost 4:	104.70
Item(s) 5:	Magnetic Letters and Numbers
Cost 5:	94.20
Item(s) 6:	Farm Counters
Cost 6:	137.94
Item(s) 7:	Wooden Shapes
Cost 7:	192.52
Total Cost:	944.42
Describe how this project will enhance student learning (limit 500 characters):	Hands-on math in preschool is important because it builds a deep understanding of abstract concepts by connecting them to physical objects, fosters critical thinking and problem-solving skills, develops a positive attitude toward math, and lays a strong foundation for future academic success. Through playful exploration with manipulatives, children learn counting, patterns, measurement, and more by actively making sense of the world around them.

✓ No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:

Grant #15

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:

Yes

✓ No

If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):

Total amount of other funding obtained for the project (from above)::

Amount requested from Uintah Schools Foundation: 325.32

Item(s) 1: Crabtree Branches: Top High School Sports series

Cost 1: 275.40

Item(s) 2: 100 Things to Know About Sports

Cost 2: 14.99

Item(s) 3: Sports (North Star Kids: Genius Kid: Activities

Cost 3:	20.95
Item(s) 4:	Processing, Shipping, and Handling
Cost 4:	7.00
Item(s) 5:	
Cost 5:	
Item(s) 6:	
Cost 6:	
Item(s) 7:	
Cost 7:	
Total Cost:	318.34
Describe how this project will enhance student learning (limit 500 characters):	Sports books age very quickly due to the different athletes mentioned or new rules implemented across professional leagues. It is necessary for even elementaries to update these, as students are interested in choosing sports in middle school and high school. They need books with a more current publication date that look nicer.

Grant Description (250 character limit):	In the UMS Library, the biographies and autobiographies are very old and need to be updated to more current figures and more current information for students in 6-8 grades to use for research and personal interest projects.

How many students will this impact?:	~1000

Primary Areas of curriculum that this grant will address (select all that apply):

- ✓ Language Arts
- ✓ Social Sciences
- ✓ Health Sciences
- ✓ Mathematics
- ✓ The Arts
- ✓ Vocations
- ✓ Sciences
- ✓ Information Technologies
- ✓ Other

Do you contribute to Uintah Schools Foundation via payroll deduction?:

- ✓ Yes

  No

Do you contribute to Uintah Schools Foundation in another way? Please explain.:

Have you secured other funding for this project (PTA, Trust Lands, Private donations, etc...)?:

Yes

✓ No

If yes, please list obtained funds with brief descriptions and amounts (this does NOT include what you are asking from the Foundation):

Total amount of other funding obtained for the project (from above)::

Amount requested from Uintah Schools Foundation: 517.68

Item(s) 1:   Gateway Biographies (17 Books)

Cost 1:   424.83

Item(s) 2:   Contemporary Biographies (2 Books)

Cost 2:   67.90

Item(s) 3:   Barack Obama: First African-American President

Cost 3:   24.95

Item(s) 4:

Cost 4:

Item(s) 5:

Cost 5:

Item(s) 6:

Cost 6:

Item(s) 7:

Cost 7:

Total Cost: 517.68

Describe how this project will enhance student learning (limit 500 characters):

At the UMS library, I will use the grant money to purchase these up-to-date biographies so students can engage with the real world outside of school. They may have heard of these people and want to know more, or they may need them for research projects. It is very important young people see real world people.

Item(s) 6:

Cost 6:

Item(s) 7:

Cost 7:

Total Cost: 279.96

Describe how this project will enhance student learning (limit 500 characters):

This project will enhance student learning by providing our team with engaging tools to target final consonant deletion, a common phonological process in preschoolers. Using Bjorem Speech Tail Sounds and Minimal Pairs, students will gain clearer speech, stronger language skills, and increased confidence in communication. These improvements support participation in classroom activities, early literacy, and social interactions, laying a strong foundation for lifelong learning.

Cost 3:

Item(s) 4:

Cost 4:

Item(s) 5:

Cost 5:

Item(s) 6:

Cost 6:

Item(s) 7:

Cost 7:

Total Cost: 239.00

Describe how this project will enhance student learning (limit 500 characters):   This will allow me to provide a quick language screener to Kindergarteners and 1st Grade students ages 5-7 to help determine a need for further interventions and possible evaluations for special education. This will also give teachers direction for what kinds of tier 1 interventions to implement in the classroom.

Cost 6:	39.98
Item(s) 7:	200 Pc magnetic blocks
Cost 7:	44.98
Total Cost:	275.28
Describe how this project will enhance student learning (limit 500 characters):	There are many students at Ashley Elementary both with and without IEP's who struggle to attend in class. They often benefit from having regular breaks and meeting sensory/emotion needs. When students are self regulated they are better able to learn, feel successful, and grow in school. I want to provide a space that ALL students can access and use to better help them learn and succeed.
