Grant Title: National geography conference for Geography Team

Grant Description: I am asking for funds for a national geography conference for both myself and my partner. All funds requested are for two people.

Payroll Deduction?	Yes
Other Contributions?	

Outside Funding: Yes

Explain Funding: We are using our PTO for this conference if we can acquire funding.

Total Funding:

Amount Requested: 3663.57

Itemized List

Items 1: Priceline flight/hotel	Cost 1: 2513.57
Items 2: Conference Registration	Cost 2: 650
Items 3: Food Per Diem	Cost 3: 500
Items 4:	Cost 4:
Items 5:	Cost 5:
Items 6:	Cost 6:
Items 7:	Cost 7:

Total Cost: 3663.57

Enhanced Learning Objective:

Due to budget cuts our school does not have the funds to provide content training for us. We are both teaching content for at the most the last three years and have not ever had content specific training for our classes. We are both driven to provide the best accessible education for our students and feel that continuing our own education is the best way to do that; though without school funding it is quite difficult to justify out of pocket.

Items 7:	Cost 7:

Total Cost: 239.97

Enhanced Learning Objective:

This is my first year as a certified teacher and I am struggling to get enough headphones to provide my students with the tools they need to be successful. I will use the grant money to purchase quality headphones for each student in the class. This will allow for a more fluent classroom and the students will be able to complete the tasks that are required in the daily schedule. The students use headphones for all subjects and are on different parts of lessons and this will be less distracting.
